MAKE A GOOD INCOME 🛱

Sarah Elixabeth Akers, daugher of James and Elizabeth Akers, vas born inChariton county, Mo., March 17, 1859, and died at her home in Marceline, Mo., April 7, 1908, aged 49 years and 21 days. She was united with the M. E. church, South, in 1876, at what was known as the Holloway schoolhouse, in Chariton county, whence she moved to Marceline to make her home in 1890, when she united with the M. E. church, South, of that city, where she remained a consistent member until her death. She was united in marriage to J. T. Laird, March 4, 1885, and to this union four daughters and one son were born, the son preceeding her to the other shore about two years ago. Fifteen months ago the husband and father was taken. The four motherless daughters, an aged father, one brother and one sister are left to mourn the death of the dearly beloved one.

The funeral services were held in the Presbyterian church at Marceline Wednesday at 2 p. m., conductedby the pastor of the church, Rev. W. E. Caldwell. The body was followed by a large number . of sympathizing friends and laid to rest in Mt. Olivet cemetery.

A Surprise Wedding.

Brunswick seems to have taken a decided turn to the romantic during the past four months, and the kind of weddings you don't know about seem to be growing in popularity, remarks the Brunswicker. Tuesday afternoon of last week, when the city and school elections were in progress, It had to be killed. Fred Wanless and Miss May Pierce gave their friends a decided surprise by quietly leaving WARREN LODGE, No. 74, A. F. and A. M.—A. town and getting married. The F. Arnington, W. M.; C.A. Chapman, secretary. left Brunswick on train No. 3 and the second and fourth Saturday town and getting married. They 2:30 Tuesday afternoon, and were married in Kansas City immediately upon their arrival there. Mrs. Pierce, mother of the bride, received a letter Wednesday announcing the marriage and expressing their happiness. They did not speak of returning to Brunswick, but they are expected to return there in a few several weeks ago and has been working at his trade as a bridge and a No. 1 workman. His bride colt 10 days old. is an amiable and deserving young lady, and has many friends and well-wishers with

> Henry Moore, living north of suicide Monday morning by shooting himself inthe forehead No cause can beassigned for his rash act.

The Livingston county court is taking steps to build an addition to the county infirmary. At present the inmates, both sane and insane are all housed together and the purpose of the court is to build a home for the sane ones separate from the in-

Heaven never helps a man who will not act.

Free from Alcohol

Since May, 1906, Ayer's Sarsaparilla has been entirely free from alcohol. If you are in poor health, weak, pale, nervous, ask your doctor about taking this non-alcoholic tonic and alterative. If he has a better medicine, take his. Get the best

always. This is our advice. We publish our formulas We banish alcohol from our medicines We urge you to consult your doctor

A sluggish liver means a coated tongue, a bad breath, and constipated bowels.
The question is, "What is the best thing to do under such circumstances?" Ask your doctor if this is not a good answer:
"Take laxative doses of Ayer's Pills." Made by the J. C. Ayer Co., Lowell, Mass.

These

which give you such exquisite suffering, every month, are caused, as you know, by female trouble. Relief seldom or never comes of itself. It is necessary to cure the cause, in order to stop the pains, and this can only be done if you will take a specific, female remedy, that acts directly on the womanly organs.

WOMAN'S RELIEF

"Cardui did wonders for me," writes Mrs. H. C. Larson, of Olds, Ia. "I had female trouble for 8 years. I had displacement, which increased my suffering, the doctor could only relieve me at times. Now, I am so much better, I hardly know when my time begins or when it ends."

Put a Bull Behind the Bars

We call especial attention to the hinge joint at each intersection of stay with main bars. This is the essential of every good wire fence. Unless the stay has a hinge joint the fence cannot receive pressure from contact and right itself. All rigid stay fences have been unsatisfactory and

disappointing, as they crush down and when once down, remain so,

Is made with a hinge joint, by which the maximum of elasticity is secured and the fence if properly stretched, remains in place indefinitely. With the hinge joint, no amount of strain on the bars can effect the connection of stay and bar, while the opposite is true of all rigid stay fences.
